Highlights

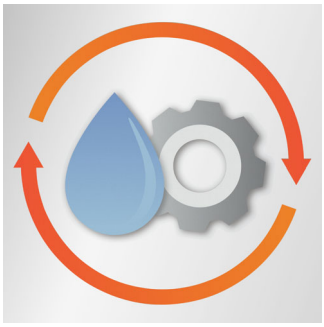
Intuitive interface

Thanks to our Memo function, pressing a button is all you'll need to do to enjoy a superb beverage choosing the amount you like.

Adjustable grinder

Our heating boiler technology is super-fast, so you don't have to wait to brew one coffee beverage after another.

Circuit rinsing



We designed this espresso machine to automatically clean its coffee circuit with water upon starting up or switching off of the machine

Removable brewing group

The brewing group is easily accessible from the side. You can remove it effortlessly for easily cleaning by rinsing under the tap ensuring maximum hygiene.

Quick heat boiler

Our heating boiler technology is super-fast, so you don't have to wait to brew one coffee or espresso after another.

Dishwasher-safe

The drip tray and servings container fit comfortably in your dishwasher, making them super easy to clean.
